## **9/15/07 United Cup Game #1 Game Summary**

BY SETH STRATTON

Citadel 97B Blue played our first game in the United Cup tournament in Louisville, Kentucky on Saturday, 9/15 at 7:45am. It was an early game, but we were ready to play. We played the United 97 Navy, and they are from Kentucky. They were a good team. We started a little slow, but improved as the game went on. In the first half, Miguel scored the only goal. In the second half, Matt scored 2 goals, Mason scored 1, and Quinton scored 1. Our defense played a very good game and did not let the United 97 Navy score a single goal. Reid played a good game as goalie, and also Ross. We are happy to have won 5-0, and our first tournament is off to a great start!
