## **9/16/07 United Cup Game #4 Game Summary**

BY #23 MATTHEW ANDERSON

At 3pm Sunday in Louisville, Kentucky, we had our championship soccer game. We played the Thoroughbreds, a local team. They were "fresh" because instead of having two games on Sunday like we did, they had one game on Friday and one game on Sunday. We started the game, and by half-time the game was tied 1-1. It was hot and we started getting tired, and then the other team scored a second goal, making it 2-1. We lost 2-1. When the game was over, we were very sad. At least we got the second place trophy and medallions. Then we drove four hours back home.
