

Come learn from
the best soccer
trainers in town!

FWUSA summer camps are
for all level of players - 7
years old and older. Train-
ing is designed to improve
the players skills while
teaching them to enjoy a
beautiful game. Age
appropriate divisions are
created to ensure all play-
ers will learn at their own
speed.

The FWUSA Summer Camp Difference

Fort Wayne United Soccer Association (FWUSA) is proud to again host its Summer Camp Program. Geared for all levels of players, the camps are designed to be fun while learning a beautiful game. The

FWUSA Summer Camps are under the direction of Citadel Futbol Club's Director of Coaching Hani Rabi and staffed with some of the finest soccer coaches in the area.

This year we are once again holding camps for both field players and goalkeepers. Our Field Player Camps are divided into age groups to ensure age appropriate training. Goalkeepers have one of the toughest positions on the field, and they require specialized training to make the player their best. Ex-pro trainers will break down the techniques and skills necessary to excel at this position, from the earliest players through those playing high school. All camps are held at Kreager Park.

FWUSA
