

Fort Wayne United Soccer Association Media Release

Fort Wayne United Soccer Association (FWUSA) occasionally publishes photos of its players to illustrate articles; or photos may be incorporated into promotional designs. Also, event photos, such as Select Game Days, Dribble Pass and Score, and the Fort Wayne Invitational, are typically photographed by FWUSA and those photos displayed in newsletters and on the official website (fwunitedsoccer.com).

By registering to participate on any Citadel FC or Select League soccer team, the players and their parents are expressly agreeing to authorize the Fort Wayne United Soccer Association to use any pictures of the player, parents, or siblings taken at the fields, or at any club event, in these promotional efforts; and/or for display on the fwunitedsoccer.com web site.
